

Know someone who needs a dentist? Get a \$50 credit for every successful referral!

We appreciate your referrals of family and friends. We promise to provide the same great care we would for our own family members and friends. As a thank you for your referrals, we offer a patient referral program. For every referral of a non-dependent family member or friend, we will give you a \$50 credit toward future needed dental treatment.

In addition, any ***new referral patients will also receive \$50 off future dental treatment.***

Please remember to have them mention your name at the time of scheduling so you both will be credited for your rewards.

Note: All new patients must come in and complete their scheduled appointments for both the existing and new patients to receive their rewards. Scheduling an appointment alone will not guarantee a referral reward. Referral awards may change at any time and without notice. Any changes to the referral program will be posted on our website. Broomfield Premier Dentistry has the right to refuse any rewards when deemed necessary, and ultimately has the final decision if any discrepancies should occur.
